Collective Bargaining Levy Contributions from 01 January 2014

The industry agreement relating to collective bargaining levy (CBL) expired on 31 December 2012. This means that all companies and organisations that were obliged to contribute this levy before 31 December 2012 are no longer obliged to do so until further notice.

Our records revealed that your company/organization has contributed CBL in 2013 for 2013. Please advise us if you would like to be refunded these monies.
